

**Get wild at the first annual
Birds & Bugs event!**

See, hear, and learn about the amazing birds and bugs living in our island's forest at Birds & Bugs 2013! It's a free, public Wildlife Discovery Event, created by Les Fruits de Mer for residents and visitors of all ages. Come celebrate St. Martin's unique natural heritage with guided birding tours of the forest, bird education and bug discovery stations, local wildlife-themed art activities for children, and more!

Saturday, December 7th • 9am-noon • Loterie Farm

Brought to you by Les Fruits de Mer, EPIC and Loterie Farm.
