See, hear, and learn about the amazing birds and bugs living in our island's forest at Birds & Bugs 2013! It's a free, public Wildlife Discovery Event, created by Les Fruits de Mer for residents and visitors of all ages. Come celebrate St. Martin's natural heritage with special exhibits, wildlife-inspired art activities, nature walks, and unique opportunities to learn about local wildlife from experts!

Brought to you by Les Fruits de Mer, Environmental Protection in the Caribbean, and Loterie Farm.
