Coloring Pages

Brainstorm coloring page ideas! What would be fun to color that fits your theme?

Who do you know who has photos to use as a reference? Do you know an artist?

Sketch a coloring page idea:

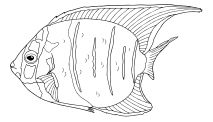

What else is on the page?

- Title
- Name or word
- Description or story
- Fun fact
- Other: _____

Write up what's on the page:

Make up a maze!

Come up with a maze idea! What is the mission? What will kids learn?

Sketch your maze layout here. Write down what art you will need.

Build a word search!

Pick a theme and write up an intro!

Write your word list here:

Word search options:

How many rows and columns?

Can words be backwards?

Can words be diagonal?

Can words be vertical?

Brainstorm more theme ideas:

Set up a word scramble!

Pick a theme and write up an intro!

WORD and scrambled DROW

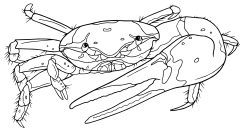

Write a clue for each word.

Craft a short story activity!

Come up with a story topic:

Create word list or prompts:

Choose 6 words related to your topic for your readers to include in their stories. Or, create one or more writing prompts to get them started!

Write an intro!

Make sure your intro explains how to do the activity. Your prompts or related words can be part of your intro, or you can list them separately.

Test your activity! Write a story using your topic and prompt words.
